<b>O'Reilly's Amazing Rainforest Race</b>	Race around a rainforest course completing challenges along the way. Will your group score enough points to make it to the top of the leaderboard?	<b>Campfire Cookout</b>	Learn how to build a campfire safely, responsibly and under supervision, before getting stuck into prepping and making your own campfire dinner and dessert creations!
<b>Mission: Survive!</b>	Design and make your own bush survival kit out of simple household materials you can take with you. Later, our guides will show you how these items can be used in a survival situation...Bear Grylls style!	<b>Denizens of the Dark</b>	As the sun goes down, a different rainforest world comes to life...Discover which insects, birds and animals prefer the darker hours as you spotlight around the Guesthouse, Treetop Walk and other tracks.
<b>Creeks &amp; Streams</b>	A chance to explore some of the damp, muddy regions of O'Reilly's! Scour Moran's Creek for insects, tadpoles and frogs, spiny crayfish, eels...and who knows what else! Learn why water is so vital to the rainforest environment.	<b>Games Night</b>	Test your physical capabilities and hand eye co-ordination with some night time games. Teamwork is essential!
<b>Wacky Chemistry</b>	Unleash your inner mad scientist as we conduct experiments using everyday household items...with some very surprising results!	<b>Nocturnal Scavenger Hunt</b>	The challenge of collecting all the items on your list in the rainforest is considerably more difficult when it's dark! Luckily you'll have torches!
<b>Rainforest Art</b>	Take a walk along our tracks and gather natural materials from the rainforest floor. We will then incorporate this with recycled materials and canvases to create art works to be displayed or palm tree masks.	<b>Eco Detectives</b>	Examine the rainforest like a forensic detective. Collect your discoveries and rainforest objects and view them through the microscopes. Discover different textures, features, shapes, leaves, rocks and bark under magnification.
<b>Homes &amp; Habitats</b>	Become a wildlife researcher and explore the hollows, habitats and holes that the animals and birds of Lamington National Park call home.	<b>Feathers &amp; Flight</b>	Join us and learn about the colors, sounds, camouflage, and survival skills of our feathered friends. How many birds will you be able to spot?

Wet Weather Activities and for Days of extreme heat: 1. Indoor Board Games 2. DVDs and Party Games 3. Recycled Crafts 4. Weaving & Bracelet Making  
5. Themed Art and Craft 6. Christmas, Australia Day, Boxing Day Art and Craft

\*Advanced bookings are those booked prior to your arrival. A child must be at least five years old to participate.
