O'REILLY'S AMAZING RAINFOREST RACE	Race around a rainforest course completing challenges along the way. Will your group score enough points to make it to the top of the leaderboard?	CAMPFIRE COOKOUT & BUSHWALK	Go on a walk through the rainforest and see what birds and plants are along the way. Then prepare a snack for morning tea on the campfire.
MISSION: SURVIVE!	Design and make your own bush survival kit out of simple household materials you can take with you. Later, our guides will show you how these items can be used in a survival situation...Bear Grylls style!	GAMES NIGHT	Test your physical capabilities and hand eye co-ordination with some night time games. Teamwork is essential!
CREEKS & STREAMS	A chance to explore some of the damp, muddy regions of O'Reilly's! Scour Moran's Creek for insects, tadpoles and frogs, spiny crayfish, eels...and who knows what else! Learn why water is so vital to the rainforest environment.	NOCTURNAL SCAVENGER HUNT	The challenge of collecting all the items on your list in the rainforest is considerably more difficult when it's dark! Luckily, you'll have torches!
WACKY CHEMISTRY	Unleash your inner mad scientist as we conduct experiments using everyday household items...with some very surprising results!	ECO DETECTIVES	Examine the rainforest like a forensic detective. Collect your discoveries and rainforest objects and view them through the microscopes. Discover different textures, features, shapes, leaves, rocks and bark under magnification.
RAINFOREST ART	Take a walk along our tracks and gather natural materials from the rainforest floor. We will then incorporate this with recycled materials and canvases to create art works to be displayed or palm tree masks.	FEATHERS & FLIGHT	Join us and learn about the colors, sounds, camouflage, and survival skills of our feathered friends. How many birds will you be able to spot?
DIGITAL SCAVENGER HUNT	Using a digital camera, the challenge is to collect all the items on your list while exploring the rainforest and surrounds.	CAMPFIRE & SPOTLIGHTING	Learn how to be safe and responsible around fire. Share spooky or silly stories around our campfire. Spotlight along the way.
ECO WARRIORS	Let's Rethink, Reduce, Reuse and Recycle. Make something to take home using recycled items. We will look at how we can care for our Rainforests and how remarkable they are.
