

# AUTUMN BIRD WEEK

3 - 8 March 2024

**Flock to O'Reilly's from March 3rd - 8th,  
to join bird lovers for Australia's famous  
Autumn Birding Program.**

Join us as we venture into UNESCO World Heritage Lamington National Park and surrounds searching for migratory birds that may be about to leave for wintering grounds further afield. Explore a range of habitats from dry rainforests to lagoons, while taking in amazing scenery.

This six day event combines guided tours with specialized bird guides, as well as presentations by local experts. O'Reilly's is a photographers paradise with expert assistance on hand by our wildlife photographers throughout the event.

If interested to share your photos, be sure and tag [#oreillysbirdweek](https://www.instagram.com/oreillysbirdweek) for the chance to get your images posted on our social media channels with credit to you.

## Please Note

You will be notified of any program changes which are mainly due to changes in weather.

Please check the information board in the Discovery Centre for the program, tour lists, changes and additional information.

All activities are optional - it is your choice on how many events you attend. Be sure to keep track of your bird sightings for the daily bird count reviews.

Some birders don't have a luxury of time and will be attending single sessions, single days or several days. Of course, please make them feel welcome too! \* Lower Duck Creek Road is not accessible at present. Valley tours will travel via Canungra.

Please wear your name tags throughout the week.
