

CALENDAR OF EVENTS 2026 CENTENARY

WELCOMING GUESTS SINCE 1926

Join us!

In 2026, our family marks 100 years of welcoming guests to the mountain — sharing the heartfelt O'Reilly's hospitality that has connected generations of visitors to this special place. For a century - guests have come here to slow down, reconnect with nature and create lasting memories.

From our beginnings in 1926 as a small mountain guesthouse, we have grown into Queensland's longest-running family-owned ecotourism operator, now encompassing our iconic Rainforest Retreat, Mountain Villas, O'Reilly's Campground and the luxury eco-chalets at Pat's Farm.

Guided by our deep respect for nature, community and the moments shared here, we invite you to celebrate with us throughout the year as we honour our past and raise a glass to the future — for the family who built this legacy, and for the families who return generation after generation.

Follow our journey

We're looking pretty good for 100!

Join us as we celebrate our Centenary journey — follow along on social media, plan your next escape, or visit for the day and discover the timeless magic of O'Reilly's and Lamington National Park.
